PTEROPSIDA
Aspidiaceae

Geographical data

Latitude : 50° 07 '
Longitude : 17° 24 '
Altitude : 180 - 290 m

- 1 *Dryopteris cristata* (L.) A. Gray K
Onocleaceae

Meteorological data

mean temperature 8.5° C
mean precipitation 517 mm
mean humidity 75%

- 2 *Matteuccia struthiopteris* (L.) Tod K

PINOPHYTA
Cupressaceae

Seed collectors:

A ... Dr. Jiř Haager
director of Prague Botanical Garden
H ... RNDr. Vladimř Hůml
curator of Prague Botanical Garden
K ... Ing. Václav Kadlec
privat collection, Tachov
U ... Ing. Libor Kunte
Botanical Garden - Děčín
N ... Jiř Novák
Prague Botanical Garden
E ... RNDr. Pavel Sekerka
curator of Prague Botanical Garden
S ... RNDr. Pavel Slabý
privat collection, Plzeň
T ... Šárka Zeithammerová
Botanical Garden - Teplice

- 3 *Juniperus communis* L.

France, pine forest near rd. Mende-St.Emime,
P. Sekerka, J. Haager, V. Hůml, 8.10.1994

- 4 *Juniperus communis* L.

Spain, Pyrenees, mountain meadows near
Maranges, S of Andorra frontier, P. Sekerka,
V. Hůml, J. Haager 14.10.1994

- 5 *Juniperus excelsa* Bieb.

Turkey, 36 km before Tosya, road E 80,
basalt, P. Sekerka 24.4.1994

- 6 *Juniperus oxycedrus* L.

France, forest margin near Montagnac,
J. Haager, V. Hůml, P. Sekerka 11.10.1994

- 7 *Juniperus oxycedrus* L.

France, Bélestia, P. Sekerka, J. Haager,
V. Hůml 12.10.1994

- 8 *Juniperus phoenicea* L.

Spain, rock near rd.1313 51 km S from
Andorra frontier, P. Sekerka, V. Hůml,
J. Haager 13.10.1994

Pinaceae

- 9 *Pinus flexilis* James

- 10 *Pinus rostrata* Link

Spain, Pyrenees, young trees on meadow near
Maranges, S of Andorra frontier, P. Sekerka,
V. Hůml, J. Haager, 13.10.1994

E

MAGNOLIOPHYTA

MAGNOLIOPSIDA (Dicotyledonidae)

Aceraceae

- 11 *Acer campestre* L.
Czech Rep., Komo near Karlštejn, P. Sekerka,
October 1993
- 12 *Acer creticum* L.
Greece, Crete, Lassithi, near cave of Diatiron
Antron, P. Sekerka, 9.9.1994
- 13 *Acer monspessulanum* L.
France, on the rd. from St. Emimie to Mende,
P. Sekerka, V. Huml, J. Haager, 10.10.1994

Amaranthaceae

- 14 *Amaranthus hybridus*
var. *crystrostachys* T

Araliaceae

- 15 *Aralia elata* (Miq.) Seem. T

Asclepiaceae

- 16 *Asclepias curassavica* L. T

Asteraceae

- 17 *Achillea pyrenaea* Sibth. ex Godr. E
- 18 *Aster alpinus* L.
ssp. *breyanius* (Beck) Hayek
Slovak Rep.: Slovenský kras, N from
Turmanské podhradie, Zadielská dolina -
Krkavčie skaly, P. Sekerka, 23.6.1994
- 19 *Aster tibeticus* Hook.f. E
- 20 *Crepis pygmaea* L. T
- 21 *Doronicum pardalianches* L. T
- 22 *Heterotheca pilosa* E
- 23 *Inula helenium* L. K
- 24 *Liatris spicata* (L.) Wild. K
- 25 *Solidago virgaurea* L. K

Berberidaceae

- 26 *Berberis cretica* L.
Greece, Crete, Omalos near Samaria National
Park, P. Sekerka, 5.9.1994

- 27 *Berberis vulgaris* L.

Czech Rep., Komo near Karlštejn, P. Sekerka,
October 1993

- 28 *Podophyllum emodi* Wall. ex
Hook.f. et Thoms. T

Borraginaceae

- 29 *Myosotis arvensis* (L.) Hill
Czech Rep., distr. Pelhřimov, field, Proseč
near Kalíšť, P. Sekerka, September 1993
- 30 *Myosotis laxa* Ledeb.
Czech Rep., sandy bank of pond Pěněnský
rybník near Horní Pěna, distr. Jindřichův
Hradec, P. Sekerka, 22.7.1994

Brassicaceae

- 31 *Alyssum corymbosum* E
- 32 *Arabis aubricoides* Boiss. E
- 33 *Arabis blepharophylla* Hook. et
Arn. E
- 34 *Aurinia saxatilis* (L.) Desu.
wild in Prague Botanic Garden, nature
reservation Podhoří
- 35 *Berteroa incana* (L.) DC
wild in Prague Botanical Garden
- 36 *Capsella bursa-pastoris* (L.) Medik
Czech Rep., distr. Pelhřimov, field, Proseč
near Kalíšť, P. Sekerka, September 1993
- 37 *Dentaria bulbifera* L.
Slovak Rep., Slovenský kras, N from Jablonov
n. Turňou, Buková hlh, beech wood,
P. Sekerka, 23.6.1994
- 297 *Dentaria bulbifera* L.
Turkey, Dikkaya (S from Trabzon), wet
meadow, P. Sekerka, V. Huml, 23.4.1994
- 38 *Dentaria cneaphylos* L.
Slovak Rep., Slovenský kras, N from Jablonov
n. Turňou, Buková, beech wood, P. Sekerka,
23.6.1994
- 39 *Erophila verna* (L.) F. Chev.
wild in Prague Botanical Garden
- 40 *Phoenicautis cheiranthoides* Nutt. S
- 41 *Thlaspi arvense* L.
Czech Rep., distr. Pelhřimov, field, Proseč
near Kalíšť, P. Sekerka, September 1993

Cactaceae

- 42 *Opuntia humifusa Raf.* N
 43 *Opuntia phaeacantha Eng.* N
 var. *cananctica (Eng.) Borg.* N
 44 *Opuntia phaeacantha Eng.* N
 45 *Opuntia phaeacantha Eng.* N
 f. *laevis Benth.* N
 46 *Opuntia phaeacantha Engl.* N
 f. *rubra hort.* N
 47 *Opuntia phaeacantha Engl.* N
 f. *salmonca hort.* N
 48 *Opuntia rhodantha K. Sch.* N

Campanulaceae

- 49 *Campanula cervicaria L.* K
 50 *Campanula rotundifolia L.* S
 Czech Rep., distr. Ledec nad Sázavou, field road near Dobrovodská Lhota, P. Sekerka, September 1993
 51 *Campanula tridentata Schreb.* S
 52 *Edraianthus parvissicus (Boiss. et Sprun) Hal.* S
 53 *Platycodon grandiflorus (Jacq.) A. DC.* T

Capparidaceae

- 54 *Capparis spinosa L.* T
 Greece, Crete, ruins of Phaistos, P. Sekerka, 9.9.1994

Caprifoliaceae

- 55 *Viburnum lantana L.* T
 56 *Viburnum rhytidophyllum Hemsl.* T
 57 *Viburnum tinus L.* T
 France, Narbonne - Plage, J. Hager, V. Huml, P. Sekerka, 13.10.1994

Celastraceae

- 58 *Euonymus europaeus L.* K
 Czech Rep., distr. Mladá Boleslav, poplar woods near Jizera river, Bakov, P. Sekerka, October 1994

Cistaceae

- 59 *Helianthemum grandiflorum (Scop.) DC.* K
 ssp. *obscurum (Waltemb.) Hohlb.* K
 wild in Prague Botanic Garden, Pustá vlnice

- 60 *Helianthemum ovatum (Wu.) Dunal in DC.* K
 Slovak Rep., Slovenský kras, N from Turnianské Podhradie, Krkavče skaly, P. Sekerka, 23.6.1994
 61 *Rhodax canus (L.) Fuss* K
 Slovak Rep., Slovenský kras, N from Turnianské Podhradie, Krkavče skaly, P. Sekerka, 23.6.1994

Coriariaceae

- 62 *Coriaria myrifolia L.* K
 Spain, Pyrenees, 41 km S from La Seu, J. Hager, V. Huml, P. Sekerka, 12.10.1994

Daucaceae

- 63 *Eryngium alpinum L.* E
 64 *Eryngium giganteum M.B.* E
 65 *Eryngium planum L.* E

Dipsacaceae

- 66 *Succisa pratensis Moench* K
 Czech Rep., Proseč near Kallšič, distr. Pelhřimov, P. Sekerka, 21.8.1994

Ericaceae

- 67 *Arbutus unedo L.* K
 France, bush near crossing of rds. N110 and 999 NW from Nîmes, P. Sekerka, J. Hager, V. Huml, 12.10.1994
 68 *Bruckenthalia spiculifolia (Guss.) Rechb.* K
 69 *Erica cinerea L.* K
 70 *Ledum columbianum* K
 71 *Ledum palustre L.* K
 72 *Rhododendron impeditum Balf. f.* K
 et *W.W. Sm.* K
 73 *Vaccinium uliginosum L.* K

- Euphorbiaceae**
- 74 *Phyllanthus acidus* (L.) Skeels T
- Fabaceae**
- 75 *Anagyris foetida* L.
Greece, Kardamili (60 km N from Olympia),
V. Mandáková, July 1994
- 76 *Astragalus glycyphyllos* L.
Czech Rep., Proseč near Kaliště, orchard,
P. Sekerka, August 1993
- 77 *Genista tinctoria* L.
Czech Rep., Proseč near Kaliště, distr.
Pelhřimov, margin of pine forest, P. Sekerka,
21.8.1994 31 75
- 78 *Genistella sagittalis* (L.) Gams in Hegl E
S
- 79 *Oxytropis* sp. S
- 80 *Sarothamnus scoparius* (L.) Wimm. ex Koch
- 81 *Trifolium arvense* L.
Czech Rep., bank of pond Pěněnský rybník
near Horní Pěna, distr. Jindřichův Hradec,
P. Sekerka, 22.7.1994
- Gentianaceae**
- 82 *Gentiana lutea* L.
Spain, mountain meadow, Pyrenees near
Maranges P. Sekerka, J. Haager, V. Huml,
13.10.1994
- 83 *Gentiana lutea* L. H
- 84 *Gentiana parryi* Engelm. S
- Hypericaceae**
- 85 *Hypericum coris* L. S
- Lamiaceae**
- 86 *Dracocephalum nutans* L. E
- 87 *Dracocephalum spectosum* Lamc S
- 88 *Hyssopus officinalis* L. K
- 89 *Lavandula angustifolia* Mill. T
- 90 *Leonurus cardiaca* L. K
- 91 *Mentha arvensis* L.
ex : Czech Rep., distr. Pelhřimov, Staré Hně
near Kaliště
- 92 *Origanum vulgare* L. K
- 93 *Salvia clavata* T
- 94 *Salvia glutinosa* L. K
- 95 *Scutellaria orientalis* L. S
- 96 *Scutellaria pontica* S
- 97 *Stachys alpina* L. K
- Linaceae**
- 98 *Linum capiatum* Kit. ex Schult. E
- Malvaceae**
- 99 *Gossypium hirsutum* L. K
- Myrtaceae**
- 100 *Ardisia crispa* (Thunb. ex Murray) A. DC. T
- Oenotheraceae**
- 101 *Circaea alpina* L.
Czech Rep., growth of *Alnus glutinosa* around
pond Pěněnský rybník near Horní Pěna, distr.
Jindřichův Hradec, P. Sekerka, 22.7.1994
- Oleaceae**
- 102 *Jasminum fruticans* L.
France, limestone rock, 2 km N from
Narbonne - Plage, J. Haager, P. Sekerka,
V. Huml, 13.10.1994
- 103 *Phillyrea angustifolia* L.
France, 5 km S from Montagnac, J. Haager,
V. Huml, P. Sekerka, 10.1994
- Papaveraceae**
- 104 *Chelidonium majus* L.
wild in Prague Botanical Garden
- Passifloraceae**
- 105 *Passiflora alba* T
- 106 *Passiflora capsularis* L. T
- Phytolaccaceae**
- 107 *Phytolacca acinosa* Roxb. K

- 108 *Rivina humilis* L. T
- Platanaceae**
- 109 *Platanus orientalis* L.
Turkey, river bank, Çaltepe, Kopnulu Kanyon Milli Parkı, P. Sekerka, 20.4.1994.
- Plumbaginaceae**
- 110 *Limonium gongetanum* (Girard) O. Kuntze T
- Polemoniaceae**
- 111 *Polemonium pauciflorum* S. Wats. K
- Portulacaceae**
- 112 *Talinum paniculatum* (Jacq.) Geartn. K
- Primulaceae**
- 113 *Primula elatior* (L.) Hill
Slovak Rep., distr. Vyšný Kubín, Sedlo pod Veľkým Chočom, P. Sekerka, July 1993
- Ranunculaceae**
- 114 *Actaea spicata* L.
Slovak Rep., Ruin of castle Muráň, Muráňská planina, P. Sekerka, July 1993
- 115 *Anemone* cf. *coronaria* L.
white form
Turkey, up from ruin of Selge, Kopnulu Kanyon Milli Parkı, P. Sekerka, V. Huml, 19.4.1994
- 116 *Anemone coronaria* L.
Turkey, 5 km S by rd. E87 from Selcuk, P. Sekerka, V. Huml, 15.4.1994
- 117 *Anemone coronaria* L.
Turkey, fields near Pamukkale, P. Sekerka, V. Huml, 17.4.1994
- 118 *Anemone japonica* hort. T
- 119 *Anemone serotina* E
- 120 *Aquilegia bicolor* E
- 121 *Aquilegia vulgaris* L. E
- 122 *Myosurus minimus* L.
Czech Rep., sandy bank of pond Pěněnský rybník near Horní Pěna, distr. Jindřichův Hradec, P. Sekerka, 22.7.1994
- 123 *Pulsatilla aurea* K
- 124 *Pulsatilla pratensis* (L.) Mill
ssp. *bohemica* Skalický
Czech Rep., stone-pit Čertovy schody near Beroun, P. Sekerka, V. Huml, V. Mandáková, 16.6.1994
- 125 *Pulsatilla slavica* G. Reuss S
- 126 *Ranunculus sceleratus* L.
Czech Rep., sandy bank of pond Pěněnský rybník near Horní Pěna, distr. Jindřichův Hradec, P. Sekerka, 22.7.1994
- Rhamnaceae**
- 127 *Fragaria alnus* Mill.
Czech Rep., distr. Pelhřimov, edge of woods near pond Staré Hutě, Kalíšě, P. Sekerka, September 1993
- 128 *Paliurus spina - christi* Mill.
Turkey, near Pamukkale, P. Sekerka, 17.4.1994
- 129 *Rhamnus catharticus* L.
wild in Prague Botanical Garden
- Rosaceae**
- 130 *Amelanchier ovalis* Medic.
France, Gorges du Tarn, near Mende, P. Sekerka, V. Huml, J. Hager, 8.10.1994
- 131 *Aruncus sylvestris* Kostel.
Turkey, Soguksu Milli Parkı, P. Sekerka, V. Huml, 23.4.1994
- 132 *Comarum palustre* L.
Czech Rep., distr. Pelhřimov, peat-bog around pond in fields near Proseč, Kalíšě, P. Sekerka, September 1993
- 133 *Crataegus mollis* (Torr.) Scheele E
- 134 *Crataegus* sp.
Greece, Crete, Omalos near Sarmaria National Park, P. Sekerka, 8.9.1994
- 135 *Crataegus* sp.
Turkey, in field near village Honaz, P. Sekerka, V. Huml, 17.4.1994

- 136 *Potentilla calabra Jen.* E
 137 *Potentilla fragaroides L.* E
 138 *Potentilla hippiana Ledeb.* E
 139 *Prunus mahaleb L.*
 Slovak Rep., Slovenský kras, limestone steep
 near ruin of castle Turňa, P. Sekerka
 140 *Pyracantha cochinea M. J. Roem*
 " richly fruiting with orange small fruits "
 Spain, Pyrenees, rock near Rd 51 km S from
 Andorra, P. Sekerka, V. Huml, J. Haager,
 12.10.1994
- Rutaceae**
- 141 *Euodia velutina Rehd. et Wils.* T
 142 *Ruta graveolens L.* K
- Sapindaceae**
- 143 *Koeleria paniculata Laxm.* T
- Saxifragaceae**
- 144 *Heuchera cylindrica Hook.* E
 145 *Heuchera glabella Torr. et A. Gray* E
 146 *Heuchera pringlei Rydb.* E
 147 *Heuchera richardsonii* E
 148 *Heuchera undulata* E
- Scrophulariaceae**
- 149 *Calceolaria biflora Lam.* E
 150 *Linaria genistifolia (L.) Mill.*
 ex : Czech Rep., Moiravský Krumlov
 151 *Linaria vulgaris Mill.*
 Czech Rep., distr. Pelhřimov, field road and
 field, Proseč near Kalíšť, P. Sekerka,
 September 1993
- 152 *Penstemon 'Prairie Snow'* S
 153 *Penstemon alpinus Torr.*
 var. *brandegei* S
 154 *Penstemon Iyalii Gray* S
 155 *Penstemon pallidus Small.* S
 156 *Penstemon procerus Dougl.* S
 157 *Pseudolysimachion (Veronica)*
spicatum (L.) Opiz
 wild in Prague Botanical Garden, Pustá vlnice

- 158 **Scrophularia nodosa L.**
 Czech Rep., distr. Ledec nad Sázavou, field
 road, Konkowice, P. Sekerka, September 1993
- 159 *Verbascum dimulosum Davis et Hub.* T
- Silenaceae**
- 160 *Cerastium arvense L.*
 wild in Prague Botanical Garden
- 161 *Dianthus armeria L.* E
 162 *Dianthus carmeliorum Benth.*
 ex *Boiss.* E
 163 *Dianthus carthusianorum L.* E
 wild in Prague Botanical Garden, Pustá vlnice
- 164 *Dianthus gratianopolitanus Vill.*
 ex: Czech Rep., Karlštejn, Český kras
- 165 *Dianthus hummizeri Watsb.*
pseudopraecox (Novák) Kmetová
 Slovak Rep., Slovenský kras, N from
 Turnianske podhradie, Zadielská dolina, Křakavčie
 skaly, P. Sekerka, 23.6. 1994
- 166 *Dianthus pauciflorus Velen.* E
 167 *Dianthus turkestanicus* E
 168 *Dianthus uralsensis Korsh.* E
 169 *Dianthus 'Milena'* E
 170 *Dianthus 'Philonena'* E
 171 *Gypsophila petraea (Baumg.) Rehb.*
 172 *Holosteum umbellatum L.*
- 173 *Minuartia langii (Kritzb.) (Rensch) Holub*
 ex: Slovak Rep., Slovenský ráj,
 wild in Prague Botanical Garden
- 174 *Spergula arvensis L.*
 Czech Rep., distr. Pelhřimov, edge of field,
 Proseč near Kalíšť, P. Sekerka, September
 1993
- 175 *Spergula morisonii Boreau*
 wild in Prague Botanical Garden
- Solanaceae**
- 176 *Atropa bella-donna L.*
 Czech Rep., distr. Mladá Boleslav, near road
 from Malá Bělá to Klokočka, woods, P. Sekerka
 October 1993
- 177 *Nicandra physaloides (L.) Gaertn.* K

Staphyleaceae

- 178 *Staphylea pinnata* L
Czech Rep., Garden of Komárov house near
village Skury, distr. Havlíčkův Brod,
V. Mandáková, 7.10.1994
- 179 *Staphylea pinnata* L.
Czech Rep., naturalized in forest Chotuc near
Křinec, distr. Nymburk, V. Mandáková,
24.10.1994

Verbenaceae

- 180 *Duranta repens*
SW Madagascar, expedition Lemuria,
L. Kunte, March 1993

LILIOPSIDA (Monocotyledonidae)

Alismataceae

- 181 *Alisma plantago - aquatica* L. K

Amaryllidaceae

- 182 *Alstroemeria aurantiaca* D. Don H
183 *Ixolirion tararicum* Herb. H

Araceae

- 184 *Calla palustris* L.
Czech Rep., distr. Pelhřimov, bank of pond
with moors; Staré Hně near Kalistě,
P. Sekerka September 1993
- 185 *Calla palustris* L. K

Arceaceae

- 186 *Chrysaliocarpus* cf. *decaryi*
Madagascar, Toamasina, expedition Lemuria,
L. Kunte, March 1993
- 187 *Chrysaliocarpus lutescens*
Madagascar, Maroantsetra, expedition
Lemuria, L. Kunte, March 1993

Bromelidaceae

- 188 *Puya violacea* T

Dioscoreaceae

- 189 *Dioscorea sansibarensis* Paxt.
(= *D. macroura* Harms) T

Iridaceae

- 190 *Belamcanda chinensis* (L.) DC K
191 *Crocus angustifolius* West. H
192 *Crocus biflorus* Mill.
ssp. *adamii* (Gay) B. Mathew H
193 *Crocus fleischeri* Gay H
194 *Crocus reticulatus* Steud. ex Adams H
195 *Gladiolus imbricatus* L. H
196 *Iris bucharica* M. Foster H
197 *Iris graeberiana* Sealy H
198 *Iris magnifica* Wedd. H
199 *Iris pseudacorus* L. H
cultivar mixture
201 *Romulea* sp.
Turkey, Koprulu Canyon Milli Parkı, 5 km N
from ruin Selge, pine forest on sandy-rock,
V. Hůml, P. Sekerka 19.4.1994

Juncaceae

- 202 *Juncus bufonius* L.
Czech Rep., sandy bank of pond Pěněnský
rybník near Horní Pěna, distr. Jindřichův
Hradeč, P. Sekerka, 22.7.1994
- 203 *Juncus conglomeratus* L.
Czech Rep., Proseč near Kalistě, distr.
Pelhřimov, P. Sekerka, 21.8.1994
- 204 *Juncus tangetia* L. f.
Czech Rep., sandy bank of pond Pěněnský
rybník near Horní Pěna, distr. Jindřichův
Hradeč, P. Sekerka, 22.7.1994
- 205 *Luzula nivea* (L.) DC. H

Liliaceae

- 206 *Allium affluaneuse* B. Fedtsch. H
207 *Allium atropurpureum* Waldst. et
Kit. H
208 *Allium caesium* Schrenk. H
209 *Allium christophii* Trantv. H
210 *Allium flavum* L. H
